<ul style="list-style-type: none"> Listen attentively, move to and talk about music, expressing their feelings and responses. 	<p>The teaching of music is enriched by developing pupils’ shared knowledge and understanding of the stories, origins, traditions, history and social context of the music they are listening to, singing and playing. Listening to recorded performances should be complemented by opportunities to experience live music making in and out of school. These could include performances by other school ensembles or year groups, or provided by the Music Education Hub.</p>
