

Sycamore Class Home Challenges – Let's Explore

Here are a range of challenges to try at home! You can try just one or as many as you like. Please make sure to bring in your excellent work!

Get creative! Create a piece of art that reflects our theme, Let's Explore. 	Nature exploration! Spend time exploring in nature. Think about the senses and record your observations. 	Create fact files or PowerPoint presentations about different time periods of History. Possible periods of History: Stone Age, the Ancient Civilisations, Tudor times, Vikings and Anglo Saxons, Romans! 
Rock detective Find three different rocks or stones at home or outside. Describe: • colour • texture • size • whether they look shiny, rough, smooth, crumbly, or hard 	Create a collage inspired by the work of Henri Matisse. 	Write a story with illustrations. Make the characters go on an exciting journey. Maybe they go back in time. Use the FANTASTICS! 
Nature collage Collect safe materials such as leaves, grass and petals to create a seasonal picture. 	Draw or make a labelled picture of an Anglo-Saxon village. Include: • houses • farm land • animals • fire • tools 	Design a Viking shield Draw and label a shield pattern that would represent a Viking warrior's identity, family, or values. 
Create a PowerPoint or fact file about Hinduism. What do Hindus believe? Do they celebrate any special festivals?	Write 10 quiz questions about what we have learned during the Let's Explore theme!	Free choice about Let's Explore.
